**Case No. C 10-02204 PJH**

**STIPULATION AND [PROPOSED]  
ORDER TO POSTPONE SEPTEMBER  
9, 2010 CASE MANAGEMENT  
CONFERENCE AND RELATED  
DATES [CIVIL L.R. 7-12]**

Defendant Lite-On Technology Corporation (“Lite-On”) respectfully requests that the Court postpone the September 9, 2010 Case Management Conference and the related meet and confer and Rule 26 requirements, until after the Court decides Lite-On’s Motion to Dismiss for Lack of Jurisdiction and Improper Service, which was filed on July 28, 2010 (Docket No. 14) and noticed to be heard on September 1, 2010. Plaintiff INPRO II Licensing S.A.R.L. (“INPRO”) does not object to the postponement requested by Lite-On.

Lite-On argues in its motion that the Court lacks subject matter jurisdiction and that INPRO has not properly served Lite-On. Lite-On has asked INPRO to either dismiss the case or agree to the postponement requested herein. INPRO disputes Lite-On’s arguments. However, lead counsel for INPRO is on vacation and is unavailable to respond appropriately to Lite-On’s motion, and in any event cannot make the September 1, 2010 hearing date. Accordingly, counsel for the parties have conferred and have agreed to request that the Court issue the following order:

1. The Case Management Conference scheduled on September 9, 2010 is hereby vacated and shall be reset by the Court following the Court’s decision on Lite-On’s Motion to Dismiss for Lack of Jurisdiction and Improper Service (“the Motion”).

2. The schedule establishing the meet and confer deadlines relating to the Case Management Conference and the Fed. R. Civ. P. 26 requirements is also vacated and shall be reset following the Court’s decision on the Motion. New dates for those requirements will be established by any date the Court sets for the Case Management Conference after deciding the Motion.

3. Lite-On shall renote the hearing date of the Motion for September 15, 2010.

Dated: July 30, 2010
